KWA_QPAY_26	Verify that mobile/phone number field with entering minimum values	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter numbers less than 10 to the mobile number field	0	Should not accept the number	Error message is displayed	Pass
KWA_QPAY_27	Verify that mobile/phone number field with a blank field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.do not enter any values to the mobile number field		Should not accept the field	Error message is displayed	Pass
KWA_QPAY_28	Verify that space is allowed or not in the mobile number field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter space between numbers in the mobile number field		Should not accept the field	Error message is displayed	Pass
KWA_QPAY_29	check the maximum limit for mobile number field does not exceed 13	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter numbers more than 13 in the mobile number field	100002340253	Should not accept the field	accept the numbers	Fail
KWA_QPAY_30	Verify the field with an incorrect format	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter numbers with special characters and alphabets to the mobile number field	9654cghj	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_31	Check the field by a valid mobile number and verify the field should accept the correct mobile number.	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number to the field	9999999999	Should accept the field	Accept the field	Pass
KWA_QPAY_32	Verify user can copy and paste the mobile number in the field or not.	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.check copy and paste is allowed in mobile number field		Should paste value by the paste option	Paste value by the paste option	Pass
KWA_QPAY_33	Check the delete key should functional in mobile number field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter mobile number 3.click on delete key		Should be functional	Delete key is functional	Pass
KWA_QPAY_34	Check the backspace key should functional in mobile number field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter mobile number 3.click on backspace key		Should be functional	Backspace key is functional	Pass
KWA_QPAY_35	Check the consumer ID field without entering data	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.do not enter data to the id field 3.click on consumer number field		Should not accept the field	Error message is displayed	Pass
KWA_QPAY_36	Verify the consumer ID field by entering a valid id	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2. enter valid data to the consumer id field	2543215423	Should accept the field	Accept the field	Pass

KWA_QPAY_37	Verify the consumer id field by entering the alphabet value	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2. enter alphabet value to the consumer id field	sdfghjjjk	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_38	Check the consumer id field by entering a decimal value	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2. enter decimal value to the consumer id field	0.556663232	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_39	Check the maximun length of consumer id field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2. entering data and notice maximum length of the field	225563333333333000000000	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_40	Check the minimum length of consumer id field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2. entering data and notice minimum length of the field	2123	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_41	Check the consumer id field by entering number with comma	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2. enter id with comma	23,33,223	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_42	Check the consumer id field by entering negative number	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2. enter a negative number to the consumer id field	-2563333	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_43	Check the consumer id field by entering only zero	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2. enter only zero to the consumer id field	0	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_44	Check the user can paste value to the id field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2. try paste value to the consumer id field		Should paste value by the paste option	Paste value by the paste option	Pass
KWA_QPAY_45	Check the user can add space between numbers in the id field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2. tryto add space betweennumber to the consumer id field	2415 25412	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_46	Check that a space/blank entry in the first position of consumer id field is reported as an error.	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2. enter space in the first position of the consumer id field		Should not accept the field	Error message is displayed	Pass
KWA_QPAY_47	Check that consumer id field with a blank in between position are reported as an error.	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2. enter blank space between number of the consumer id field		Should not accept the field	Error message is displayed	Pass
KWA_QPAY_48	Check the consumer number field does not accept blank data	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.do not enter any value to the field		Should not accept the field	Error message is displayed	Pass

KWA_QPAY_49	Check the consumer number field accepts only input in valid format	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter valid consumer number in correct format		Should accept the field	Accept the field	Pass
KWA_QPAY_50	Verify the consumer number field by entering only alphabet value	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter only alphabet value to the consumer number field	asdfghj	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_51	Check the consumer number field by entering a decimal value	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter only decimal value to the consumer number field	0.212333663	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_52	Check the consumer number field by entering only special characters	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter only special character to the consumer number field	!@#\$\$%&	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_53	Check the consumer number field by without / seperation between alphabet and numbers	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter the consumer number without / to the field	abcd1235d	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_54	Check the maximum length of consumer nubmer field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.check the maximum length of the field	agvbnj463322fghhj	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_55	Check the minimum length of consumer nubmer field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.check the minimum length of the field	xf12	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_56	Check the consumer number field by entering a negative number	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a negative number to the consumer number field	-455222	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_57	Check the user can paste value to the consumer number field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.check the user can paste value to the consumer number field		Should paste value by the paste option	Paste value by the paste option	Pass
KWA_QPAY_58	Check the consumer number field by entering only zero	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter only zero to the consumer number field	0	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_59	Check by entering valid data to the consumer id and consumer number field and check user can view the bill	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid consumer id 3.enter a valid consumer number 4.click on the view	ABC/10000/D	Should accept the field	View the bill	Pass
KWA_QPAY_60	Check by entering valid mobile number to the field and check user can view the bill	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid moblie number 3.click on view	9961966839	Should accept the field	View the bill	Pass

KWA_QPAY_61	Check user can enter valid mobile number to the field and valid consumer id and number at a time	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid moblie number,consumer id and number at a time 3.click on view	9961966839	Should not accept the field	Error message is displayed	Pass
KWA_QPAY_62	Check user can click on the proceed menu by entering a valid mobile number to the field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid moblie number 3.click on proceed	9961966839	Should click on the proceed menu	Bill is displayed	Pass
KWA_QPAY_63	Check user can click on the proceed menu by entering a valid consumer id and number to the field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid consumer numberand id 3.click on proceed	ABC/10000/D	Should click on the proceed menu	Bill is displayed	Pass
KWA_QPAY_64	Check the user can click on the reset menu	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid consumer numberand id 3.click on proceed 4.click on reset		Should click on the reset menu	Click on the reset menu	Pass
KWA_QPAY_65	Check by entering a registered mobile number and verify the details of the consumer is correct	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.verify the details of the consumer	9961966839	Should verify the consumer details	Consumer details are verified	Pass
KWA_QPAY_66	Check by entering a valid credential to the view bill field and verify the displayed details format is as per the specification	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.verify the format of details of the consumer as per specification		Should as per the specification	As per the specification	Pass
KWA_QPAY_67	Check the user can click on the consumer field below the bill section	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the consumer field below the bill section		Should be clickable	Cconsumer field below the bill section is clickable	Pass
KWA_QPAY_68	Check the user can view the consumer id,number,and route number by clicking on the consumer field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the consumer field below the bill section 5.verify the contents below the consumer field		Should be view the details	View the details	Pass

KWA_QPAY_69	Check the user can click on the meter field below the bill section	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the meter field below the bill section		Should be clickable	Meter field below the bill section is clickable	Pass
KWA_QPAY_70	Check the user can view the meter number,meter owner and meter status by clicking on the consumer field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the meter field below the bill section 5.verify the contents below the consumer field		Should be view the details	View the details	Pass
KWA_QPAY_71	Check the user can click on the bill history field below the bill section	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the bill history field below the bill section		Should be clickable	Bill history field below the bill section is clickable	Pass
KWA_QPAY_72	Check the user can view the previous bill status by clicking on the bill history field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the meter field below the bill section 5.verify the contents below the bill history field		Should be view the previous bill status	View the previous bill status	Pass
KWA_QPAY_73	Check the use can view the past 5 bill details in bill history	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the meter field below the bill section 5.verify the contents below the bill history field 6.verify the past 5 bill details		Should be view the past 5 bill status	view the past 5 bill status	Pass
KWA_QPAY_74	Check the previous bill details displayed is correct	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the meter field below the bill section 5.verify the contents below the bill history field 6.verify the past 5 bill details		Should be correct	All details are correct	Pass

KWA_QPAY_75	Check the previous bill details displayed is in correct format	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the meter field below the bill section 5.verify the contents below the bill history field 6.verify the past 5 bill details format		Should be in correct format	All details are in correct format	Pass
KWA_QPAY_76	Check the previous bill details and verify bill amount	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the meter field below the bill section 5.verify the contents below the bill history field 6.verify the past 5 bill amount		Should be correct	All the bill amount details are correct	Pass
KWA_QPAY_77	Check the user can click on the consumption field below the bill section	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the consumption field below the bill section		Should be clickable	The consumption field below the bill section is clickable	Pass
KWA_QPAY_78	Check the user can view the current and previuos consumption details below the consumption	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the consumption field below the bill section 5.verify the current and previous consumption details		Should be viewable	User can view the current and previuos consumption details below the consumption	Pass
KWA_QPAY_79	Check the reading and consumption field unit is in KL	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the consumption field below the bill section 5.verify the current and previous consumption unit is in KL		Should be in KL	Unit is in KL	Pass
KWA_QPAY_80	Check the user can click on the payment field below the bill section	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the payment field below the bill section		Should be clickable	User can click on the payment field below the bill section	Pass

KWA_QPAY_81	Check the user can view the amount details by clicking payment field	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the payment field below the bill section 5.verify the amount details		Should be viewable	All details are displyed	Pass
KWA_QPAY_82	Check the user can edit the "total water charge to be paid field"	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the payment field below the bill section 5.try to edit total water charge to be paid field		Should be editable	Edit the field	Pass
KWA_QPAY_83	Check the edit menu in the amount details field is clickable or not	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the payment field below the bill section 5.click on the edit menu		Should be clickable	Amount details field is clickable	Pass
KWA_QPAY_84	Check the change payable amount field should accept only numbers	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the payment field below the bill section 5.click on the edit menu	200	Should accept only numbers	Accept only numbers	Pass
KWA_QPAY_85	Check the change payable amount field should not accept alphabets and special characters	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the payment field below the bill section 5.click on the edit menu 6.enter alphabet and special character to the change payable amount field	ABGVC	Should not accept alphabets and special characters	Error message is displayed	Pass
KWA_QPAY_86	Check the bottom top arrow in the payable amount field is clickable	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the payment field below the bill section 5.click on the edit menu 6.click on the bottom top arrow in the payable amount field		Should be clickable	Bottom top arrow in the payable amount field is clickable	Pass

KWA_QPAY_87	Check after entering amount to the payment amount field the user can click on the update menu	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the payment field below the bill section 5.click on the edit menu 6.click on the bottom top arrow in the payable amount field	200	Update menu should be clickable	Click the update menu	Pass
KWA_QPAY_88	Check the user can click on the advance menu	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the advance menu		Advance menu should be clickable	Click the advance menu	Pass
KWA_QPAY_89	Check the user can click on the advance menu	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the advance menu		Advance menu should be clickable	Click the advance menu	Pass
KWA_QPAY_90	Check the user can select number of month from dropdown menu in the number of month	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the advance menu 5.select number of month from dropdown menu in the number of month		Should select the month	Select the month from dropdown menu	Pass
KWA_QPAY_91	Check the total number below the dropdown menu is 24	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the advance menu 5.verify the total number of month in the dropdown menu in the number of month		Should be 24	Total number below the dropdown menu is 24	Pass
KWA_QPAY_92	Check the numbers listed in the dropdown is in ascending order	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the advance menu 5.verify the total number of month in the dropdown menu is in ascending order		Should be in ascending order	Numbers listed in the dropdown is in ascending order	Pass
KWA_QPAY_93	Check the user selected number from the dropdown is displayed or not	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the advance menu 5.select number of month from dropdown menu in the number of month		Should be displayed	Number is displayed	Pass

KWA_QPAY_94	Check the user can click on the calculate menu after selecting number of month	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the advance menu 5.select number of month from dropdown menu in the number of month 6.click on the calculate menu		Should be clickable	Click on the calculate menu	Pass
KWA_QPAY_95	Check the user can click on the amount menu in the advance payment option	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the advance menu 5.click on the amount menu in advance payment option		Should be clickable	Click on the amount menu	Pass
KWA_QPAY_96	Check the advance amount field doesnot accept alphabets and special characters	1.Enter the URLhttps:// www.epay.kwa.kerala.gov.in 2.enter a valid mobile number 3.click on proceed 4.click on the advance menu 5.click on the amount menu in advance payment option 6.enter alphabets and special characters to the amount field	ABCD!@#	Should not accept the field	Error message is displayed	Pass
